 - e. DHL Worldwide Express, Mumbai, India as Management Trainee from January 1997 to August 1997.

The pattern of education in India is as varied as its 17 states. However, all states now offer Twelve Year basic elementary and secondary programs, beginning with a seven-year lower and upper primary program and followed by a five-year lower and upper secondary program.

At the end of class X, students sit for the Secondary School Certificate Examination (SSC). After Class XII, students sit for the Higher Secondary School Certificate (Intermediate/HSSC), the Indian School Certificate, or the Pre-University Certificate (PUC). University education for first degrees extends two to three years, although since 1974 the mandate is three years for all Bachelors' Degrees. **Professional programs extend from four to seven years.**

CREDENTIAL EVALUATION

This is to certify that I have reviewed the educational credentials, specialized training and progressively responsible experience of **Ms. Priya Rane**, for the purpose of immigration, as follows:

1. **Ms. Priya Rane** was awarded a Bachelor of Arts Degree in Economics from University of Mumbai, India in 1996.

This is equivalent to a three-year program of post-secondary academic studies in **Economics** and is transferable to an accredited University in the United States. Admission to this degree program requires completion of secondary education equivalent to a U.S. high school diploma.

2. University of Mumbai is a leading University in India and it offers undergraduate, graduate and doctoral programs in Engineering, Science, Liberal Arts and other disciplines. It is recognized / accredited by the India's University Grants Commission and other accrediting authorities.
