

Date: 11/18/2008

Ref.No. 11182008A

Name: Mr. Sumit Santosh Jethwani

COUNTRY: INDIA

## PURPOSE OF THIS EVALUATION

To evaluate the Education Credentials of the client for the purpose of validation in terms of educational equivalencies in the United States.

## EVALUATION SUMMARY

**Mr. Sumit Santosh Jethwani's** qualification is equivalent to **Bachelor of Science Degree in Financial Accounting and Auditing** and a **Masters Degree in Computer Science** awarded by a regionally accredited college or university in the United States.

## DOCUMENTATION USED FOR EVALUATION

Received for the purposes of evaluation and validation of the following:

1. Copies of original Transcripts and Bachelor of Commerce Degree in Financial Accounting and Auditing from University of Mumbai, India in 2001.
2. Copies of Transcripts and Master of Computer Applications Degree from University of Mumbai, India in 2004.

The pattern of education in India is as varied as its 17 states. However, all states now offer Twelve Year basic elementary and secondary programs, beginning with a seven-year lower and upper primary program and followed by a five-year lower and upper secondary program.

At the end of class X, students sit for the Secondary School Certificate Examination (SSC). After Class XII, students sit for the Higher Secondary School Certificate (Intermediate/HSSC), the Indian School Certificate, or the Pre-University Certificate (PUC). University education for first degrees extends two to three years, although since 1974 the mandate is three years for all Bachelors' Degrees. **Professional programs extend from four to seven years.**

## CREDENTIAL EVALUATION

1. **Mr. Sumit Santosh Jethwani** was awarded a **Bachelor of Commerce Degree in Financial Accounting and Auditing** from **University of Mumbai, India in 2001.**

This is equivalent to a three-year program of post secondary academic studies in **Financial Accounting and Auditing** and is transferable to an accredited University in the United States. Admission to these studies requires the completion of secondary education equivalent to a U.S. high school diploma.

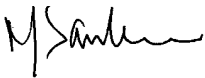

2. He also obtained a **Master of Computer Applications** Degree from **University of Mumbai**, India in 2005.

This is equivalent to a three-year program of post secondary, post-graduate level academic studies in Computer Science and is transferable to an accredited University in the United States. Admission to these studies requires the completion of secondary education equivalent to a U.S. high school diploma and three year Bachelor of Science Degree equivalent to three years of U.S. Bachelor of Science college education.

**Mr. Sumit Santosh Jethwani's** three years Bachelor of Commerce Degree in Financial Accounting and Auditing from University of Mumbai and one year of the three years of Master of Computer Applications Degree from University of Mumbai, India in the judgment of Hudson Credential Evaluations, LLC., fully equates to **Bachelor of Science Degree in Computer Applications** and the remaining two years of the three year Master of Computer Applications Degree from University of Mumbai, India in the judgment of Hudson Credential Evaluations, LLC. fully equates to **Masters Degree in Computer Science** from a regionally accredited University in the United States.
